Hyperbaric Oxygen Infusion Treatment

Used by celebrities, plastic surgeons, dermatologists and high profile spas worldwide Intraceuticals Rejuvenation Oxygen Infusions are a luxurious marriage of state-of-the-art oxygen technology and restorative relaxation. This revolutionary skincare treatment simultaneously infuses moisture, vitamins and anti-oxidants into the skin via cooling, calming topical hyperbaric oxygen, resulting in luminous, unparalleled hydration and visible, age-defying results. Re-hydrated, plumped up skin in less than an hour has garnered some of Hollywood's most famous and beautiful!

Instant results you can see and feel in just one treatment. Skin is nourished and hydrated. Collagen and elastin production supplements plump the skin surface to visibly reduce the appearance of fine lines and wrinkles. In these treatments, hyaluronic acid combines with topical hyperbaric oxygen technology to hydrate and act as a powerful delivery system for vitamins A, C, E and Green Tea, to also fight free radical and environmental damage. Treatment includes:

- **Deep Pore Cleanse**
- **Hot Lavender Towels**
- **Microdermabrasion**
- **Choice of one of the following Hyperbaric Oxygen Infusions**
